

BISLEY LEISURE HIRE

Luxury Toilet Hire

A Little Luxury at your Convenience

When you are organising that special event, you need bathroom facilities that create the right impression. That's where we can help. At Bisley Leisure Hire, we provide luxury units that are portable, versatile, and designed to impress.

When you step inside one of our self-contained units, you will be amazed at the feeling of luxury. Casting your eyes around the room, you will be delighted by the warm tones of its oak interior, which are complemented by stylish chrome fittings and immaculate porcelain basins and toilets. On the walls, stunning vanity mirrors and subtle changing lights add to the sense of sophistication.

There is more to our bathroom units than elegant design – an integrated CD player feeds your choice of music into the room, and automatic air fresheners ensure a fresh, welcoming environment. For added comfort in winter and on cool evenings, there is also a built-in heating system. We can also provide luxury toilet units that have wheelchair access.

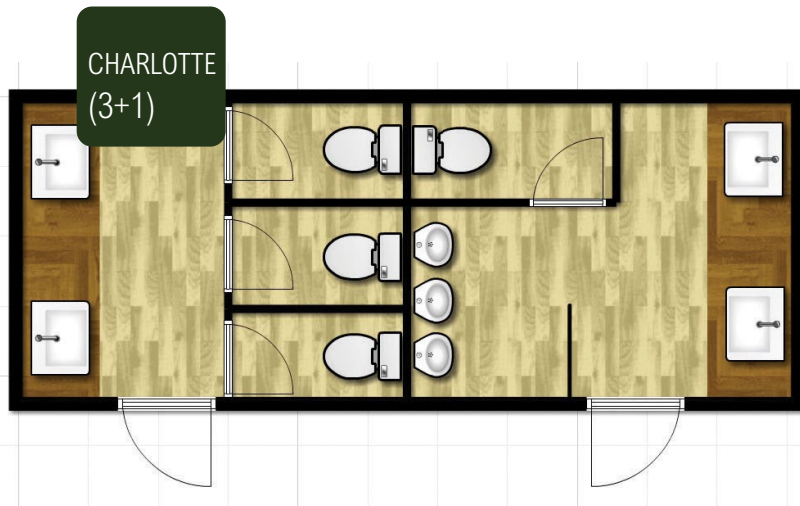

Your satisfaction is our priority. As part of our exceptional service, we will check the suitability of your site prior to booking (if required), deliver and install your unit, and remove the unit after your event. If you need our help, we are contactable 24 hours a day, so you can relax and enjoy your special occasion.
